E-commerce Company Offers Delivery Food , Grocery and Service
(HR Department)

Presto Eight officially started working and receiving orders on 12-12-2020, and it is a leading delivery company operating in the greater Tripoli area. It delivers from restaurants and from the publishing house in the materials that it provides to the customer through a smart application

I started in 10-6-2021 as a training and development specialist with the Presto Eat company which provides delivery services and e-commerce, where I supervised approximately 14 training programs for more than 250 employees

I hold the position of the Development and Improvement Department by drawing new strategies to enhance the highly qualified human cadres through a clear vision and a specific goal.
